- ◆ 500 lb/227 kg Total Capacity
- ◆ 12 Shelves – 4 Fixed / 8 Adjustable
- ◆ Portable – Heavy-duty Industrial Casters
- ◆ Side Handles
- ◆ Solid Construction

... Printers

Locate Your Pak-Rak:

- near the press for stacking stock and printed jobs.
- by the cutter for handling stock before and after trimming.
- next to the folder or collator for holding jobs before or after processing.
- with the stitcher and trimmer to place completed jobs.

... Mail Room & Offices

Store office supplies and route mail with your Pak-Rak.

... Copy Rooms

Store copier stock and letterhead on your Pak-Rak for easy access.

... Libraries

Use your Pak-Rak for sorting and returning books to the shelf.

... Manufacturing

Quickly sort and route parts and paperwork on the Pak-Rak.

Solid Construction

Shipped to you in one piece, the Pak-Rak is constructed of heavy gauge, welded steel.

Mobility & Control

Four hard rubber casters and two side handles make your Pak-Rak easy to control and easy to roll from place to place.

Keeping Stock Square

Inward slant on each shelf keeps your stock tight to the corner for a square stack — even when moving between locations.

Large Capacity

The solid construction gives Pak-Rak a 500 lb/227 kg total capacity. The eight adjustable shelves supplied can hold up to 75 lbs/ 34 kg apiece with four additional shelves optional.

Products Working for You

The Pak-Rak is another great product value from Challenge! All of our products are engineered to make your job easier.

Contact your authorized Challenge dealer for information, parts, and superior, factory-trained service personnel.
